Education

Punchcode Jan. 2020 to Current
Web Development 2020
A 12 week immersive in person course in Full-Stack Web Development

University of North Carolina at Chapel Hill Aug. 2000 to May 2004
Economics 2004

Projects

Punchcode Capstone Project- YouTube Sharing App
In the final 3 weeks of my program at Punchcode, along with my teammates I created an app that allows users to select a youtube video and watch it together in a private room with their screens synced up whenever a user would like to pause, fast-forward, or rewind and a sidebar so they can chat while they watch.

Employment

Realty One Group Las Vegas, NV
Residential Realtor 2013 to 2020

Used Top Producer and Liondesk CRM software to direct systematic marketing efforts, automate follow-up procedures, and increase sales.
Managed lifecycle of transactions with Kanban style organization from generating new leads, conducting business, closing transaction, all the way through client past client follow-up.
Developed skills in generating new leads, managing customer expectations, and negotiating with other parties to each transaction.

Skybridge Education Las Vegas, NV(remote position)
Data Entry 2011 to 2012

Developed educational software for math and civics for MacMillan/McGraw-Hill
Integrated content from textbook writers into various formats
Classified content and created metadata to describe it
Data entry and classifying documents using proprietary software

The Nichols Company Charlotte, NC
Commercial Real Estate Broker 2004 to 2009

Represented real estate developers pursuing land for infill redevelopments in Charlotte's center city
Represented property owners in land disposition in Uptown Charlotte
Retail tenant representation for many types of businesses
Marketed office, retail, land, and industrial properties for sale and for lease
Performed financial analysis of income properties and study of rezoning procedures

Activities
